Announcement/Season Finale

June 5, 2026

The Season 1 finale of *The Radio Demon's Lair* aired on 201.5 Reality Central Radio on May 22, 2026. Season 2 returns with new episodes Friday, September 4, 2026.

The Radio Demon's Lair: Season 1 – As promised, Dewy, The Radio Demon has finished Season 1 of her weekly show after fourteen silly, thought-provoking, and otherwise ludicrous episodes. In addition to fresh and funny commentary, Season 1 boasted four exclusive musician interviews, multiple collaborations, world premieres of new tracks, and a fun time all around. While the full season will be re-aired on 201.5 Reality Central Radio (on Live 365 and TuneIn) over the summer, this is not the end of *The Radio Demon's Lair*! Season 2 will premiere on Friday, September 4, 2026 (station(s) to be announced) with all new episodes and will continue the ridiculous tradition that has been started.

A full episode list of Season 1 with official descriptions and lengths (inclusive of the original station's bumpers and ads) are below. The full season is available at dewy.nyc/trdlbackog. In case you're interested in playing one in a setting that goes beyond personal use, starred episodes have minimal licensing requirements.
