Updates From Dewy

Hey! Turns out that the event organizers had to move the Psychic Salon event! It's no longer on the 29th of this month, but will be on April 4, starting at 2:00 PM. You should still feel free to go to Caravan of Dreams on Sunday if you want! It's a really cool place with some nifty vegetarian eats, but *I* won't be there.

I also have a small confession regarding February's *Radio Demon in Residence* show. But it was too long to put here so I made it the blog entry that's going up today instead.

Outside of that, some big stuff in the pipeline! Stay tuned!
