Updates From Dewy

Due to familial events, I need to postpone the premiere of The Radio Demon's Lair from September 25, 2026 to October 30, 2026. If you know what happened, you know. If you don't, suffice it to say that it's traumatic.

But karaoke on Saturday (26th) seems like the exact kind of thing I need to be doing. So I'll be there. If you could drop by, it would be great to see you.

Schmoopy Schmoopy Doopy,
