

Salutations!

You may be asking yourself, this isn't the Dewyletter! And you'd be right. That's still going out, as scheduled, on December 1. But I just *had* to let you know about a certain event that's happening before then!

As of tomorrow (Friday, November 21, 2025), I will begin producing a weekly radio show! It will be backed up on the blog, but if you want to listen to it live, it will be airing each Friday at 7:00 CT/8:00 ET on [201.5 Reality Central Radio](#).

To find them, all you have to do is search for "201.5 Reality Central Radio" on Live 365 (or Google if you can't find Live 365 for some reason).

Tune on in! This week is going to be a preview of what the rest of the show is going to feature and tells the (condensed) tale of how I got my title.

I hope to see you there and I look forward to seeing you on Fridays!

Schmoopy Schmoopy Doopy,
