Announcement/New Show

November 26, 2025

“The Radio Demon’s Lair” premiered on 201.5 Reality Central Radio. New episodes air weekly every Friday at 7:00 CT/8:00 ET.

Episode 1: “Preview and Title” – The Radio Demon is making sure to earn her title! Between monthly shows, *Hazbin on Broadway*, and life experience, Dewy has been acting as The Radio Demon for some time now. But is this title complete without a radio show? Apparently, Dewy thinks not. The Radio Demon’s Lair pilot aired on Friday, November 21, 2025 and marks the beginning of a new weekly show. The pilot previewed multiple future segments suitable for those with eclectic tastes, including Military Grade Music (focusing on recordings made by armed services) and exclusive artist interviews.

Episode 2, “Soundtrack Soirée”, airs on Friday, November 28, 2025 at 7:00 CT/8:00 ET.
